**Risk Disclosure:**

Mutual fund investing involves risk, including loss of principal. International investments may involve risk of capital loss from unfavorable fluctuation in currency values, differences in generally accepted accounting principles, or from social, economic, or political instability in other nations. In addition to the normal risks associated with investing, investments in smaller companies typically exhibit higher volatility.

The Knights of Columbus Funds are distributed by SEI Investments Distribution Co. (SIDCO), which is not affiliated with Knights of Columbus Asset Advisors or its affiliates.
